

Sfidare, March Through

Class Song

Verse 1:

We stand here today as a testament
To our God-given knowledge, we will depend
All these challenges that lie along the way
Will be in our past within a matter of time
Amid the tears we shed for this mission
The reflection of His love led us through
That gave us strength to walk each step
to face the day
As a chapter closes, another shines.

Chorus:

Sfidare, march through the challenge of tomorrow
Sfidare, by God's grace, we'll forever glow
Equipping ourselves with the best of our abilities
With the knowledge and skills towards excellence
Sfidare, thriving through the storm
Sfidare, we won't give up on everyone
As our mentors pave the way, as we face another day
We will heed the call, whatever the future holds.

Verse 2:

And as we face another story
His love and grace will be our guide
To a world of more oddities,
we will push through the uncertainties
Advancing on each and every way
Each and every way

Chorus:

Sfidare, march through the challenge of tomorrow
Sfidare, by God's grace, we'll forever glow
Equipping ourselves with the best of our abilities
With the knowledge and skills towards excellence
Sfidare, thriving through the storm
Sfidare, we won't give up on everyone
As our mentors pave the way, as we face another day
We will heed the call, whatever the future holds.

Bridge:

Dare, for the promise will be shown
Dare, FOR OUR STRENGTH IS HIM ALONE

Chorus:

Sfidare, march through the challenge of tomorrow
Sfidare, by God's grace, we'll forever glow
Equipping ourselves with the best of our abilities
With the knowledge and skills towards excellence
Sfidare, thriving through the storm
Sfidare, we won't give up on everyone
As our mentors pave the way, as we face another day
We will heed the call, whatever the future holds.
