

“As For Me and My House”

*At **Sabbath School**, we believe in the power of family worship to strengthen bonds and deepen our faith.*

That's why we are encouraging Nightly Family Worship, and we want YOU to be a part of it!

What's the Challenge?

It's simple: commit to having family worship every night. Whether it's reading a Bible story, singing hymns, praying together, or sharing your day's blessings and challenges, make worship a daily habit in your home.

HOW TO JOIN & BE FEATURED:

1. **Worship Daily:** Gather your family each night for a special time of devotion.

2. **Snap a Photo:** Take a quick, heartwarming photo of your family during your worship time. Don't worry about perfection—just capture the moment!

3. **Share with Us:** Send your photo to our group chat: Gabawan SDA Church.

4. **Get Featured!** We'll compile your photos and showcase them during our Sabbath School program each Sabbath. It's a wonderful way to inspire and encourage one another!

Who Can Join?

Everyone is welcome! Whether you're a:

- **Full Family:** Parents, children, grandparents – all together!
- **Dynamic Duo:** Spouses, siblings, or friends sharing a home.
- **Solo Joiner:** If you live alone, your personal worship time is just as valuable!

This initiative is about building a habit of daily devotion and sharing that joy with our church family. Let's inspire each other to make worship a central part of our daily lives.

We can't wait to see your
worship moments! Let's grow
closer to God and each other,
one night of worship at a time.

See you at the altar!
